

## Dan Dodgen

As a Financial Advisor my practice is based off of a client-centric approach. I advocate for financial security of individuals and their families and I believe that anyone can achieve their financial dreams by clearly defining their personal investment goals.

As a Board Member of Grant's Crusade, I am deeply honored to be part of this organization. Grant was someone incredibly special in my life. I loved him as my son and always admired his spirit, resilience, drive, intelligence, and deep empathy for others.

Though he was neurodivergent and sometimes misunderstood, Grant never stopped pushing forward and giving his best. He was an inspiration to everyone who knew and loved him. Through the foundation, we are committed to honoring his life and following in his footsteps of kindness and compassion.

It is truly a privilege to be part of Grant's Crusade and to help carry forward his legacy of empathy and perseverance.
